

Eric Shuman

OF COUNSEL

Eric Shuman, Of Counsel in our New Orleans office, has more than 25 years of experience litigating products liability and environmental law cases. His environmental practice focuses on defending both individual and class action “toxic tort” claims, including Superfund; chemical exposures, and asbestos personal injury. He also counsels clients in matters involving environmental regulations and projects with environmental contractors. Eric’s products liability practice emphasizes corporate defense of manufacturers of consumer and commercial vehicles, marine, and industrial equipment such as papermaking machines, friction materials, and valves.
