McGlinchey Stafford and the Manufactured Housing Institute (MHI) are pleased to bring you the Manufactured Housing Law Update. With content prepared by McGlinchey Stafford's nationally-recognized consumer financial services team, the Update focuses on legal and regulatory actions in the manufactured housing industry.

Happy Holidays to all our readers!

While not covered in this update, but certainly newsworthy, Richard Cordray resigned as director of the Consumer Financial Protection Bureau in November.

There are a few zoning cases summarized in our update that are worth reading and a change to the reassignment of title process in Indiana.

If you repossess manufactured homes, stay safe! This month we report on a case where two repossession agents were held at gun point by a debtor and then sued alleging FDCPA violations.

Well, enjoy the November Update. Happy Holidays and well wishes in 2018!
